Hello, everyone:

I've attached the latest draft for the communications plan leading up to Thursday's decision on the Bristol Bay comment period extension. A few things:

I've tracked down all the numbers for Dennis (thanks, Matt).  
We still need the final text of the desk statement. I've highlighted where that will go in this document.  
There are just a couple of numbers missing for Rick--perhaps Tami can help?

The plan for the morning of Thursday July 5th is as follows:

Anyone who needs to make calls will do so per the schedule in this document.  
Requesters will receive emailed PDFs of the letters.  
Reporters who inquire may get a copy of the desk statement only after we have completed making calls and sent the emailed letters.  
We are not doing proactive outreach with the media. If reporters call, we can send them the desk statement. If they follow up and request more information, we can send them a copy of the generic letter.  
Frank Gerjevic at the Anchorage Daily News will get a copy of the letter.  
The desk statement will go out in a message to the Bristol Bay listserv on Thursday afternoon.

If you have any changes to this document, please let me know ASAP.

Have a happy Fourth of July.

Hanady
